GigxMatch

Match Better, Perform Better

BRAND OVERVIEW

Gig X Match is a premier on-demand marketplace built specifically for the entertainment and creative arts industries. The platform streamlines the hiring process by instantly matching event organizers with the ideal talent for project-based and one-off opportunities. From high-profile corporate activations and shopping mall performances to intimate wedding bookings, Gig X Match accommodates every tier of live entertainment, providing seamless connections for both creators and hosts.

CONCEPT

By casting light across multiple dimensions, the intersecting spotlight beams dynamically converge to form the letter 'M', echoing the core identity of Match.
